Satisfied customers speak for themselves.

“XING Ads deliver a number of advantages: they’re scalable, highly efficient, and bring measurable success. This makes XING an indispensable partner for us to acquire new customers.”

Daniel Kern, Marketing Manager MetaComp GmbH

“This was the first Marketing Solutions campaign we rolled out on XING, and we’re really happy as it exceeded our expectations. Within a short space of time we received hundreds of applications from engineers wanting to attend our recruiting events. Our XING campaign generated far more traffic for our careers site and for our recruiters’ XING profiles than we expected to see.”

Michael Bütow, Head of Employer Branding Deutsche Bahn

“XING’s content marketing products are an excellent way to boost awareness and foster trust in a company as new as VisualVest that offers an innovative product (Robo Advisor) which requires some explanation. Sponsored Articles helped us to gain a foothold in the tricky FinTech industry.”

“The users we won over on XING are extremely valuable to us. We also saw a considerable increase in retention rate, i.e. the number of users who continue to use our product after 30 days, when comparing the XING campaign to other channels.”

Dr Jost Schwaner, Managing Director Cliqz GmbH
