The three steps to your XING Sponsored Articles:

Successful content marketing on XING

Use XING Sponsored Articles with XING co-branding to exclusively address your target audience and share your content via XING News media without any other distracting advertising.

The XING editorial team check your article's headline and tonality to make sure you reach out to your target groups as effectively as possible.

Approach target groups by industry

Your XING Sponsored Articles will appear in the news overview page, our Industry News and in daily industry newsletters.

Choose from among 33 industry newsletters and reach around 5 million active XING users every day.

Swift and simple support

After making a booking, let us know your target group and campaign goal along with a contact person to coordinate your theme and copy. This could be your media agency, for example. Then just send us the URL for the page you want to link to, as well as image and copy, and we'll handle the rest.

Your main contact person at XING will help make sure your content campaign is as successful as possible. After the campaign ends, you'll receive a summary report.
